

# BOWERY

## LIFESTYLE METRO

Built for the professional messenger; ridden by everyone who craves simplicity and velocity. With its ALUXX butted aluminum frame, Bowery delivers the goods in sleek, single-speed style.

### FEATURES

- ALUXX Compact Road Design aluminum frame is stiff and light
- Front and rear caliper brakes or go brakeless—your choice
- Sturdy, 36-spoke wheels set to beat the mean streets

Black

# HALFWAY

## LIFESTYLE METRO

Off the train. Up the escalator. On the street. Open the bike. Lock & load. Hit the pavement. Office real small? Fold this clever commuter and pack it away. Ask for a raise because you're so smart.

### FEATURES

- 7-speed shifting to get up, down and all-around the city
- Single-sided stays for quick-and-easy wheel removal
- 20-inch wheels for quick and nimble around-town commuting
