

SEDONA SERIES A favorite of recreational riders, the Sedona series comes with standard equipment like rugged 26-inch wheels, an adjustable stem for precise fit and a gel saddle for supreme comfort. Fun is included, too!

SEDONA DX

LIFESTYLE COMFORT

The rugged 26-inch wheel Sedona DX features a light-weight aluminum frame designed to place you in an upright, comfortable riding position.

KEY UPGRADES (OVER SEDONA)

- 24-speed drivetrain
- Disc brakes for confident stopping power
- Lighter-weight magnesium front suspension
