

STP/MTX SERIES

STP and MTX aren't just toys. They're serious mountain bikes with suspension forks and multi-speed gearing that lets them explore the neighborhood and parks on a machine that won't hold them back. They're adventure waiting to happen.

STP 225

Ride the streets, hammer the trails and have serious fun with the STP 225's aluminum frame and strong 24-inch wheels. Built for fun. Built to last.

FEATURES

- Alloy suspension fork for comfort and control
- Adjustable stem for customized fit
- 7-speed twist shift drivetrain to get your young rider over hilly terrain

PART NUMBER - 313750

Army Green

STP 125

STP 125 is the best all-rounder on 20-inch wheels, with a sturdy chain guide that improves performance and reliability of the 7-speed drivetrain when the going gets rough.

FEATURES

- Alloy suspension fork for comfort and control
- Adjustable stem for customized fit
- 7-speed twist shift drivetrain to get your young rider over hilly terrain
