## HALFWAY

It's the commuter bike that fits your life. Fold it up on the subway, or to stash in your cubicle. Unfold it for that midday coffee run. And at five o'clock sling your briefcase on the rack, and wave as you roll past the drones stewing in bumper-to-bumper. Genius!

### FEATURES

- 7-speed shifting to get up, down and all-around the city
- Single-sided stays for quick and easy wheel removal
- 20-inch wheels for quick and nimble around-town commuting
